Responding as Disciples of Christ

- Educating and promoting what we offer the community for those in need spiritually and physically. Connect all we do as Catholics in the community.
- Homilies and teachings on living our faith in word and deed.
- Ease of access for all involved in our charitable outreach.
- Support of Friendship Room ministry.
- Moving Food Pantry to another location freeing up more space in current St. Vincent DePaul building. Would like to have near DHHS so recipients can "shop" without finding transportation.
- A Charity Committee to help coordinate and organize all efforts.
- Apply for Grants to help bring these ministries together in one location.
- Emergency shelter for just a few nights as a stop gap for the Sunrise Mission and other community shelters.
- Woman's shelter.
